Dear Mr. Multer:

On behalf of Dr. Angell, who is absent from the city, I wish to thank you for your letter of the 2nd of April, seconding the nomination of Major General Marquis de Lafayette.

The Senate of the University will meet next week to consider all of the names presented by the public for this election, and Lafayette's name will be considered at that time.

Meantime, with appreciation of your interest in the Hall of Fame,

Respectfully and sincerely yours,
